DEAR YOUR HONOR;

It is with great sadness I am writting to you for the third time in reference to my current legal representation, where I am asking for Your Honors guidance and assistance in this very serous and important matter.

I would like for Your Honor to know that today my current legal attorney (I.E. Daniel Nobel) came to the M.D.C. in brooklyn, to conduct an interview with me, in reference to those most serious and important issues I explained to Your Honor I was having with my previous attorney (I.E. MR. Robert M. Baum). But when I explained these issues to MR. Nobel, so he can properly address them, MR. Nobel refused to do any such thing.

Therefore I respectfully request that Your Honor issue an order to produce me at the courts

earliest convenience to deal with this serious and important matter.

I would like to thank your Honor and the Honorable court for its very valuable time and attention to this most serious and important matter. As well as apologize for any burdens I have become, But there are just something's I need addressed properly and is just not given the proper assistance to do so. My life lies on the line here, and I hope your Honor can understand.

Respectfully submitted
By Felix CRUZ
